I. BASIS FOR JURISDICTION

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation, and the amount in controversy is more than \$75,000, is a diversity case. In a diversity case, no defendant may be a citizen of the same State as any plaintiff.

FACTS:

Senator Ron Johnson I read in yesterday's AM Metro Newspaper "you expected to issue an interim report" on an investigation involving the former role of Biden's businessman son Hunter Biden as board director for the Ukrainian gas company Burisma."

I also read where you said "You were hoping to do it in a month or two".

Why go through all of that when you can simply go to "a" or "the" direct source almighty God. It appears to me the American people have forgotten about the omniscient one.

I was a little disappointed and got very depressed by the statement you made. Both sides Republic and Democrat appear to me to have forgotten

FACT 2

one told "to get it."

I heard something else about "security reasons" and you all ought to be careful - watch for it."

The conversation continued "How are you getting in." I heard "I have dad behind me".

Another person said to someone "Give it to the person behind you".

"Step into my area feel how it feels/is". Dad came and saw him counting. I heard the counter said "I have x amount to go don't stop me now".

I next heard "Remove that out of there".

The money was stuck tightly together by pressure when being separated. It appeared to have been vacuumed. My heart is shattered. Since I saw A I became depressed. I felt betrayed by a very important person I was looking up to.

What I have seen and heard makes me not want to vote now. This was the person I had in mind of casting my vote to. I am holding the defendants accountable for corruption and betraying the American people and myself. I am holding the defendants accountable for lying to the American people and myself.

the one who holds all power.

The things I am about to write about were conversations going back and forth between three people I heard and saw. It started off this way, "Put your hands on your neck - you are elegant."

"I am getting one million for this job that is okay."

The difference is "you have to get home first." I saw the money thrown down a hole and some- →
